EXT. MIDDLE OF THE ATLANTIC OCEAN - NIGHT

The Titanic has sunk. The night is clear, the stars are shining. JACK and ROSE are huddled together on a floating door in the water. ROSE SINGS a comforting tune.

JACK

Wow. I knew there'd be enough room on
this door for the two of us. Any
minute now, there'll be a rescue boat.

A FAINT VOICE calls in the distance.

FAINT VOICE (O/S)

Is anyone alive out there?

JACK

WOO HOO! We're going to live!

ROSE snuggles closer to JACK.

ROSE

What does this mean for us?

JACK's eyes widen, his arm falls away from around ROSE's shoulders.

JACK

Uh. What do you mean?

ROSE

Once we get on the rescue boat and
to America, we're going to have a
new life ahead of us!

JACK

Oh.

ROSE

...Oh?

JACK

Rose, we had a fun, whirlwind
romance, AND a near-death experience.
That can bring people closer, but.

ROSE is suspicious. She doesn't understand.

JACK (CONT'D)

At the end of the day, I think
we should be realistic, right?
It was the cruise of a lifetime!
But, it was just a cruise, you know?

ROSE

What are you even talking
about, "It was just a cruise"?

JACK

You know, a vacation. A fun fling.
I'm not really a long-term
commitment kind of guy, Rose. I won
my cruise ticket in a gambling
match, and the only reason I didn't
bring my girlfriend with me
is because I only won ONE ticket.

ROSE

I'm feeling a bit gaslit right now.

JACK

I'm not sure either of us knows the
meaning of that word.

ROSE inches further away from JACK. An almost FROZEN WOMAN in a life
jacket floats by them.

FROZEN WOMAN

(teeth chattering)

Help. Me.

JACK very obviously checks her out.

JACK

There's probably room for one more-

ROSE uses her foot to kick the FROZEN WOMAN away from them and the
floating door.

FROZEN WOMAN takes in some water, GARGLES. She drifts away from them.

JACK

That was cold, Rose.
 (thinking to himself)
 Her nips must be so hard.

ROSE

I can't believe you.

They shiver.

JACK

Maybe you should come back and
 cuddle. It was keeping us warm.

JACK's hand finds its way to ROSE's butt. She slaps it away.

The FAINT VOICE is closer now.

FAINT VOICE (O/S)

Are you two ready to be rescued?

ROSE (to FAINT VOICE)

Not now! We're having a discussion!

JACK (to FAINT VOICE)

Yes! Please!

FAINT VOICE (O/S)

Okay, I'll do another lap.

ROSE

(to JACK)

You saved my life, you took me
 dancing, you drew me naked, we
 hooked up in the back of someone's
 car without protection, without
 being married-

JACK

(groaning) Rose, I think you're incredible.

The sex is amazing. I just don't
 feel that romantic spark, you know?

ROSE

No! I don't

JACK

You had a loaded fiancé who was going to take care of you and give you babies and jewelry and cruises all the time, but you hooked up with me- the lying, poor American boy who likes to gamble and get into fist fights. Why would I want to be with someone like that?

ROSE

I don't even know what to say to you right now.

Their door floats over some debris and frozen dead bodies- one of them, a gorgeous DEAD WOMAN with huge boobs.

JACK

Wait! I'll save you!

JACK reaches into the water and grabs onto the DEAD WOMAN, dragging her closer to the door.

ROSE

What are you DOING?

JACK

Saving her life!

ROSE watches JACK motorboat this DEAD WOMAN's giant breasts.

ROSE

She's already dead, you son of a bitch! You're not even doing it right!

JACK lets go of the body, it floats away.

JACK

Whoops. Right. Brain freeze.

ROSE shuts her eyes, trying to tune him out.

ROSE

I am never going to let this go, Jack.

JACK

I'm honestly doing you a favor,
Rose. You deserve better! In
a few years, you'll turn 25, and I
just know myself. That's too old for me.

FAINT VOICE (O/S)

Okay, enough of this nonsense. Ready or
not, you guys are getting rescued.

The FAINT VOICE approaches, paddling a small rescue boat. There are
several other humans on board, all of them HOT BABES.

JACK

Oh, hell yeah!

JACK notices the HOT BABES are soaked, their clothes are wet and
see-through. HOT BABES help ROSE into the boat.

JACK (CONT'D)

(to HOT BABES)

Just to be clear. She and
I are not together, but
I did just rescue her.

JACK tries to get into the boat on his own, but he slips backward and
hits his head, and falls into the water.

FAINT VOICE

Oh no!

They all watch as JACK sinks further down.

ROSE

Let him die.

She takes a seat next to HOT BABES.

ROSE (CONTD)

(to HOT BABES)

'Sup?

END.
